

Ashlar Hall Center for the Arts

The Memphis Comic and Fantasy Convention and Memphis Heritage have embarked on an incredible project: to restore the historic property of Ashlar Hall at 1397 Central Ave. to its original state, and transform it into the "Ashlar Hall Center for the Arts".

This beautiful 11,200 square foot space, will serve as an art hub for the city of Memphis, featuring art exhibits, festivals, and concerts, and also hosting a wide variety of art classes, and workshops for children and adults.

This historic property will also be available for Event Rentals. The charming Victorian architecture and grounds will be the perfect setting for Wedding Receptions, Christmas Parties, Corporate Functions, and any number of other social events.

The AHCA will even offer Multi Level Yoga Instruction, and other Wellness Classes.

The unique blending of tradition, style, function, and fun will make the Ashlar Hall Center for the Arts unlike any other cultural center in the Mid South.

Plans for this landmark project are already underway, but we need your support to bring it to completion.
