

# **MCFC 2025 PROGRAMMING SCHEDULE**

## **8AM**

***REGISTRATION & WILL CALL OPENS***

## **9AM**

***GTR Presents GEEKS UNLEASHED! – TN Ballroom A***

What better way to kick off this year's Memphis Comic & Fantasy Convention than with a handful of cynical Geek Patrollers before their morning coffee? Join Brandon, Allan and friends as they prep you for the day to come!

***BEHIND THE COSPLAY – Promenade 2***

A Peek into Cosplay Build Secrets! Go beyond the surface of glitz and glam to see what really holds your favorite costumes together. Panelists will share photos, stories of success and failure alike, and breakdowns of how they ultimately engineered comfort, stability, and durability into cosplay designs. Expect blunt truth about time, budgets, setbacks, and what actually works in a convention setting, not just a photoshoot.

***CRYPTIDS & COFFEE – Promenade 3***

Ever wondered what morning beverage to serve the Jersey Devil? Does the Mothman like a good Cold Brew? Well, this is the place to find out as Brandy Daly dives into the wonderful world of the caffeinated cryptid life.

Come prepared with your thoughts and ideas! Who knows? Perhaps we will all come away with a new series to read or watch! See you there!

## **12PM**

### **SO, YOU WANT TO BE A POSER: Practical Guidance for Dynamic, Flattering Cosplay Photos – Directors Row 1**

This is not a modeling panel. This is a survival guide for cosplayers who want their hard work to translate into strong photos – on con floors, in contests, or during planned shoots. Learn how to assess your costume's limitations and play to its strengths in motion and stillness. The panel covers how to build a personal posing repertoire based on your character's body language, how to practice at home, and how to manage posture, sightlines, and facial control under pressure. There will be live posing demos, practical anatomy cues, and critiques focused on empowering you to direct your own shots with confidence. Smart posing isn't about looking pretty; it's about intention, silhouette, and storytelling.

### **STAR TREK IN THE 901 – Promenade 3**

A look into why *Star Trek* should be celebrated, its effect on modern tech and how it has inspired others. A brief history of the franchise and how *Star Trek* is represented here in Memphis by Station Shelby and Shelby County *Star Trek* Day

## **1PM**

### **STORYTIME WITH SCOTT J CARROLL – TN Ballroom A**

Are you a fan of Netflix's hidden animated gem Centaur World? Then this is the panel for you! Have you never seen or heard of it ,but are intrigued? Join us! You will be glad you did. We will be discussing the show and the music that makes it so much fun.

**COSPLAY, THE PRO WRESTLING WAY – Promenade 3**

Learn the techniques that pro wrestlers use to help with stage presence, overcoming anxiety and stage fright, and showing off your creativity. "Doctor" Wayne Camp, a 20+ year veteran in the pro wrestling business, will teach you all of this and more. Take the steps toward cosplay greatness with the techniques that pro wrestling superstars use every day, and win those championships.

**3PM**

**THROUGH THE LOOKING SCREEN – TN Ballroom A**

Presented by the Quark Theater, *Through the Looking Screen*, written and composed by Anne Chmelewsky, is an affectionate but unflinching operatic portrayal of an increasingly desperate young woman losing touch with the world beyond her PC and smartphone. Starring Jacqueline Cooper with Director and accompanist Eileen Kuo.

## **THINGS I SHOULD'VE KNOWN BEFORE STREAMING –**

### ***Directors Row 5***

There are some things you should know about content creation. If you are a long-time creator, or looking to start from scratch, learn from someone who has started his 11th year in Twitch streaming. He's compiled a list of things that he wished he knew beforehand, and is looking to impart the knowledge upon others who want to start, or continue along their journey.

### **THE COMPANY KARAOKE PARTY – Promenade 2**

A game about corporate politics, thwarted ambition and petty revenge. The goal? Sing a few songs, spill some tea, and don't get fired!

### **COSPLAY IS BETTER WITH FRIENDS – Promenade 3**

Cosplay might start with a solo idea, but it thrives in community. This panel explores the practical side of building friendships and creative circles that fuel your cosplay journey. Learn where to find local groups, shared workspaces, and other creators that support collaboration, accountability, and skill-sharing. In an era where social media can feel isolating, this session is a reminder that real support systems still matter.

Come learn the basics with licensed cosmetologist, Rainydayroses! Step up your cosplay game and see different methods of making the hair look less shiny, more natural, and con floor ready. Followed by a Wig Styling Q&A

## **GET STARTED FIRST, THEN WORRY ABOUT THE REST –**

### ***Directors Row 5***

The most important message to bring to creative and potentially creative people is to quit waiting and get making. The world is full of all this magic in books, comics, movies, and television because regular people who didn't know any better set out to create something they thought was fun. Isn't it time for you to Get Started?

### **BATMAN IN OUR REALITY – Promenade 3**

What would Batman look like in our universe? What physical, legal, and psychological elements would constrain and inform how our favorite hero would operate in our reality?

## **5PM**

### **MASON STUDIOS' 20<sup>TH</sup> ANNIVERSARY CINEMATIC SPOTLIGHT – TN Ballroom A**

Has it really been 20 years? Help Josh Mason make this celebration of Mason Studios a memorable part of MCFC 15.
